

Surrey Action For Equine -

(S.A.F.E) The County Scheme

Set up in the Autumn of 1992 as Surrey Horseteam, a partnership with Surrey Police providing support to horse owners and riders throughout the county.

Seven years ago, the scheme with a broadened remit and a new name, became Surrey Action For Equine (S.A.F.E. for short) We cover diverse equine issues such as finding & contacting owners of straying horses. Offer assistance to victims of equine crime, from theft of equine, vehicles & equipment to unexplained equine injury. Adopt a partnership approach with Police and Borough Council for the disposal of dead abandoned equine carcasses.

There is need to support horse riders and owners who have experienced equine crime. Making available advice tailored to aspects of such crimes. We offer up to date information on the many ways to protect horse, tack or vehicle. Calls received are varied, many made when the caller is feeling particularly vulnerable. A scheme such as ours is there to address fears, offer support and provide information.

We provide 'lighter moments' with social and informative occasions. such as our Absolutely Equine events. A Newsletter published yearly is available *free of charge* at Saddlers and at equine feed outlets within the County.

S.A.F.E. Annual Yard Awards presented to Livery Yards who support their clients by having high

standards towards crime prevention and security for horses and tack.
Our Gold Awards. For owners with a small number of equine, who have made good efforts against equine crime at their own premises.

To encourage young people to take an active part in the scheme, we have our S.A.F.E. Young Riders
